COLOR BRIDGE

Series

COLOR BRIDGE

Dynamic and versatile
add lighting fixtures at any time
suitable for various spatial scenes

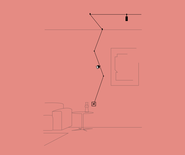
+ COLOR BRIDGE +

A new pendant light form

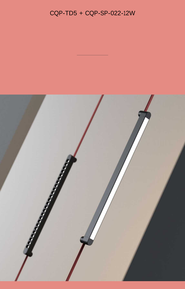
GRID

Originating from a diverse design

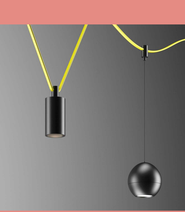
CREATIVITY +



CQP-TD5 + CQP-SP-022-12W



CQA-XTD + CQP-DD2-5W



CQP-TD8-7W

Innovative lighting art

CREATIVITY +

Unique design
freely adjust the appearance of the light
according to specific scenes or personal preferences
creating a one-of-a-kind play of light and shadow

Living room

Bedroom

Dining room

Creativity

Creative assembly

Subverting tradition, blending colors
unique wire connections
crafting a personal space with distinct personality

Freedom to combine, diverse power layouts
liberating constraints, effortlessly arranging
bestowing more elements of interest to the space

System
integration and connection

CONNECT +

Color Bridge - Dexterous

Color Bridge - LEGO

Color Bridge - LNT Track

Color Bridge - Arco System

Color Bridge - Sky Rail
