

COLOR & LEGO BRIDGE SERIES

[FREE MODULAR]

...

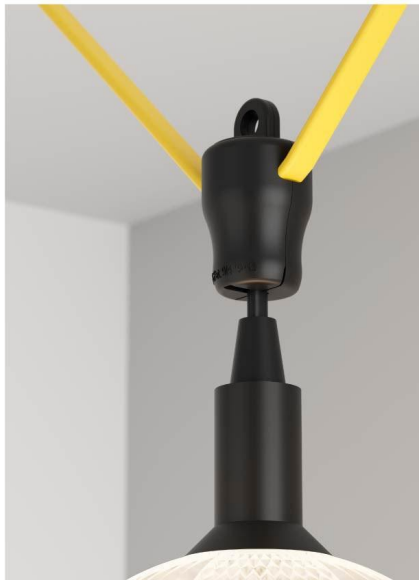

01

LEGO set free pierce structure

...

[Connect]

Electricity stitching

Fixing connection

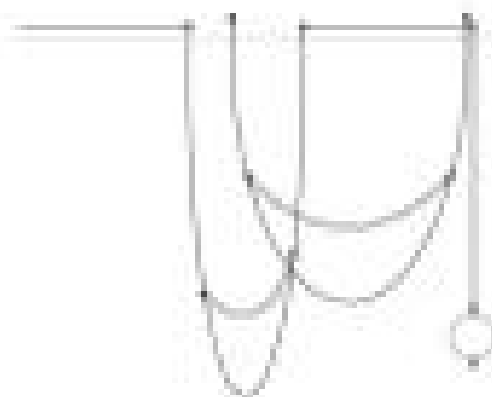

Luminaire stitching

One step power on Easy stitching

...

G18 + GS3

G18 + GS3 + ZS9

More patchwork combinations

02

Creative DIY modeling

...

[Spotlight]

Color Bridge series

A Flexible lighting system

The core soft & conductive track
allow luminaire freely placed & adjusted

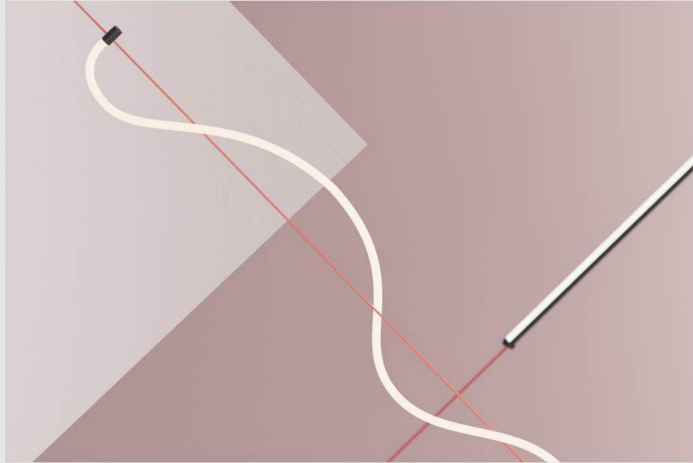

Luminaire added freely

Create unique lighting solution

Light be everywhere

...

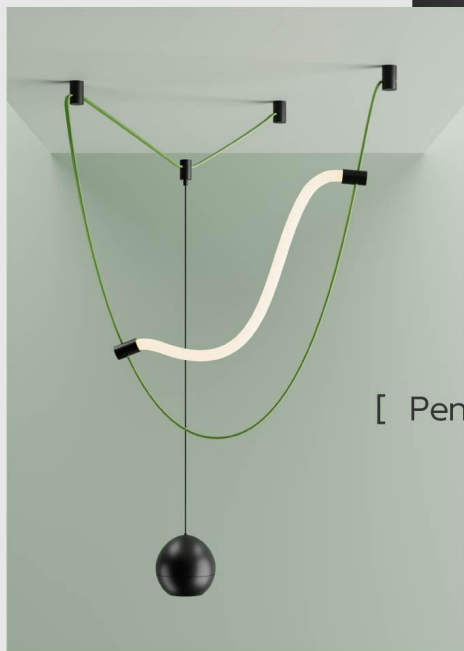

[Striplight]

[Downlight]

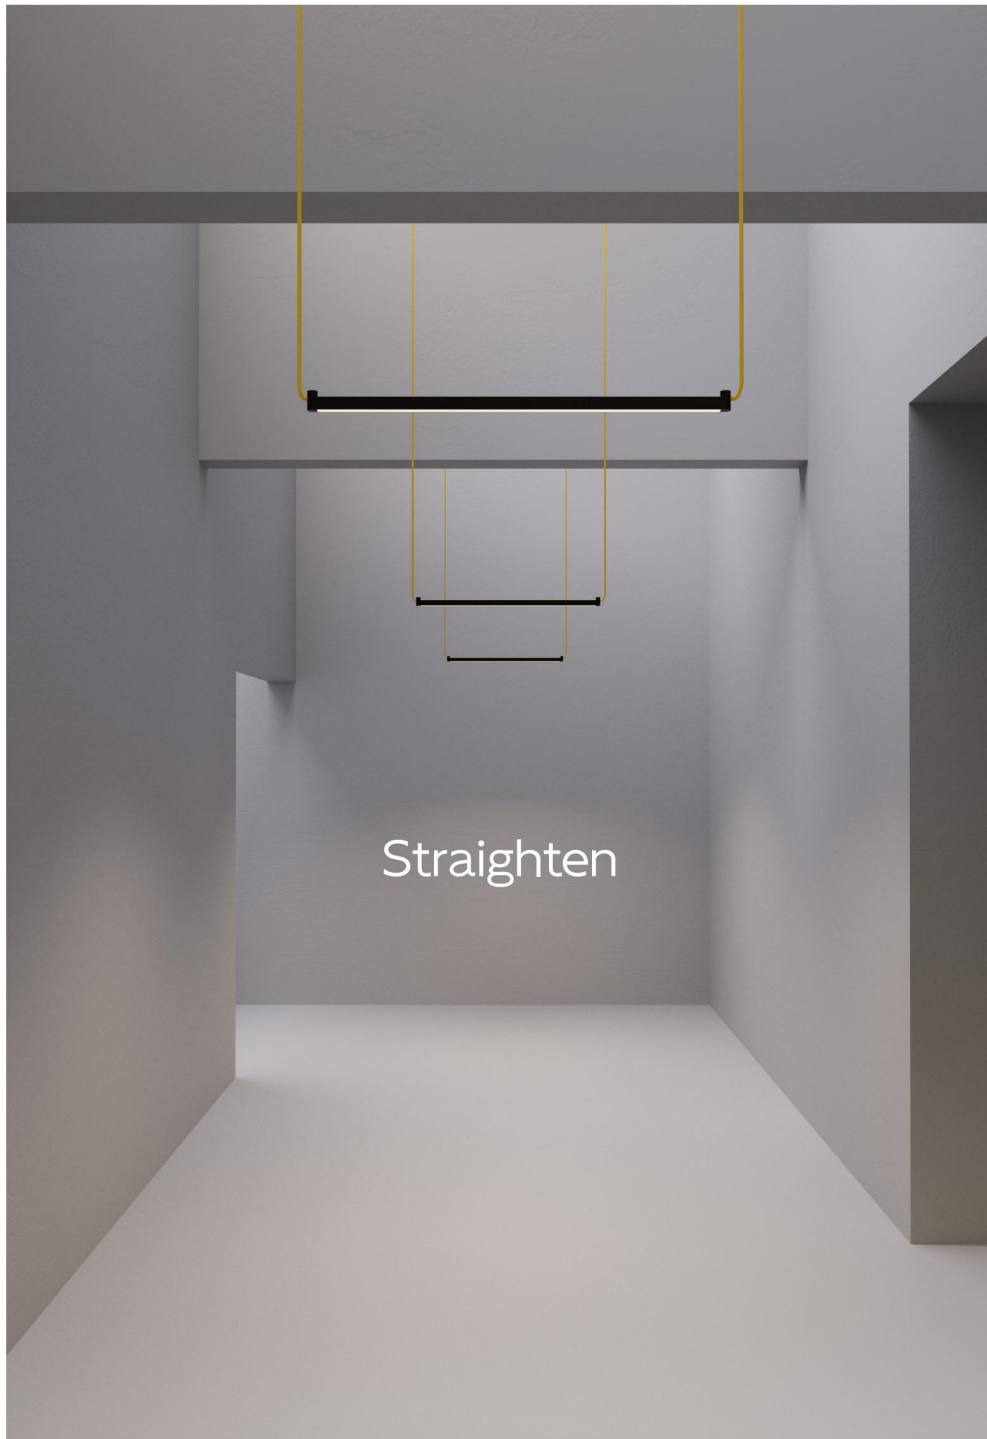

[Pendant light]

03

Infinite shapes layout

...

Light be everywhere
...

Non constraint

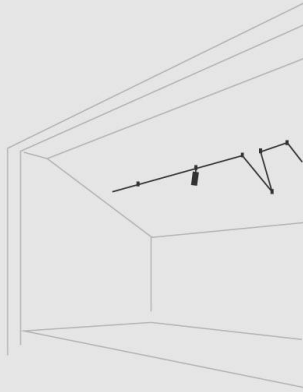

Rich lighting modules
Available various types
of architecture
No matter how unique

Variety of shapes

...

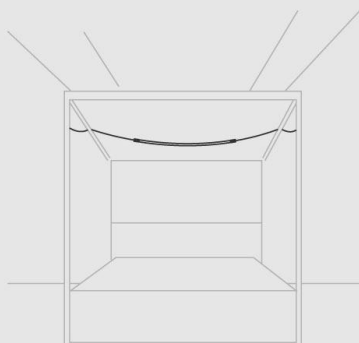

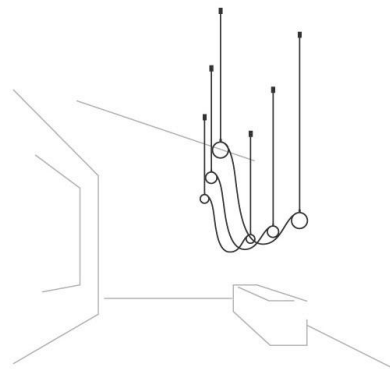

Attic

...

Exhibition hall

...

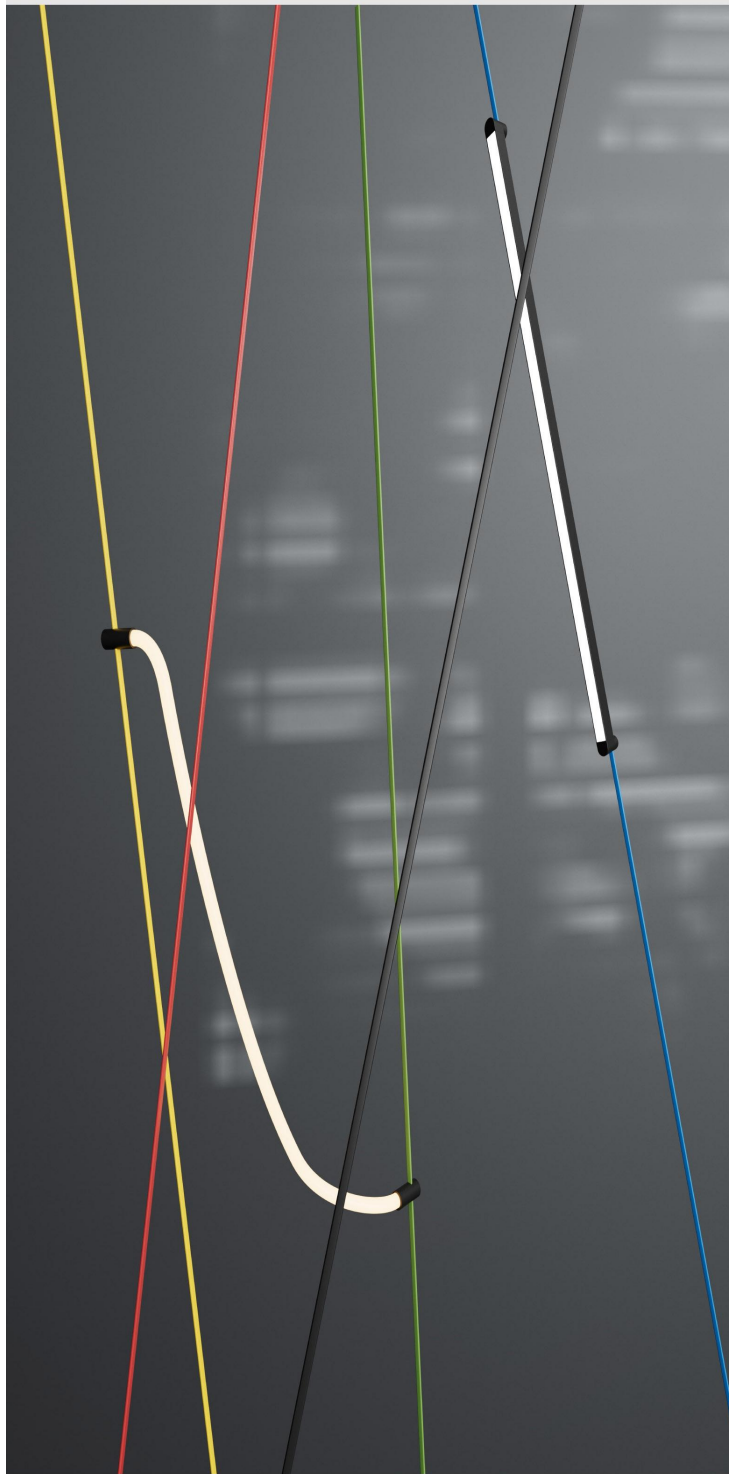

Bedroom

...

04

Create colorful space

...

Personalized tone

Unique appearance

For spaces as special architecture or artwork

Provide a perfect lighting solution

Light be everywhere

Application of flexible track light

...

...

Light be everywhere

Environmental applications

Color Bridge creates different radians and effects

Amazing light display

Design by you

...

Product parameters

Product parameters

Rich LEGO modular light sources
Arbitrary spicing

Model DGX

Size 50/100M

Material Flexible Track

Model GS3

Size $\Phi 120 \times 170 \text{mm}$

Power 7w

CCT /

Angle /

Material Aluminum + PC

Model PC5

Size $\Phi 150 \times 170 \text{mm}$

Power 7w

CCT /

Angle /

Material Aluminum + PC

Model ZS9

Size 160xH200mm

Power 7w

CCT /

Angle /

Material Aluminum+PC

Model GI8-150A-14W

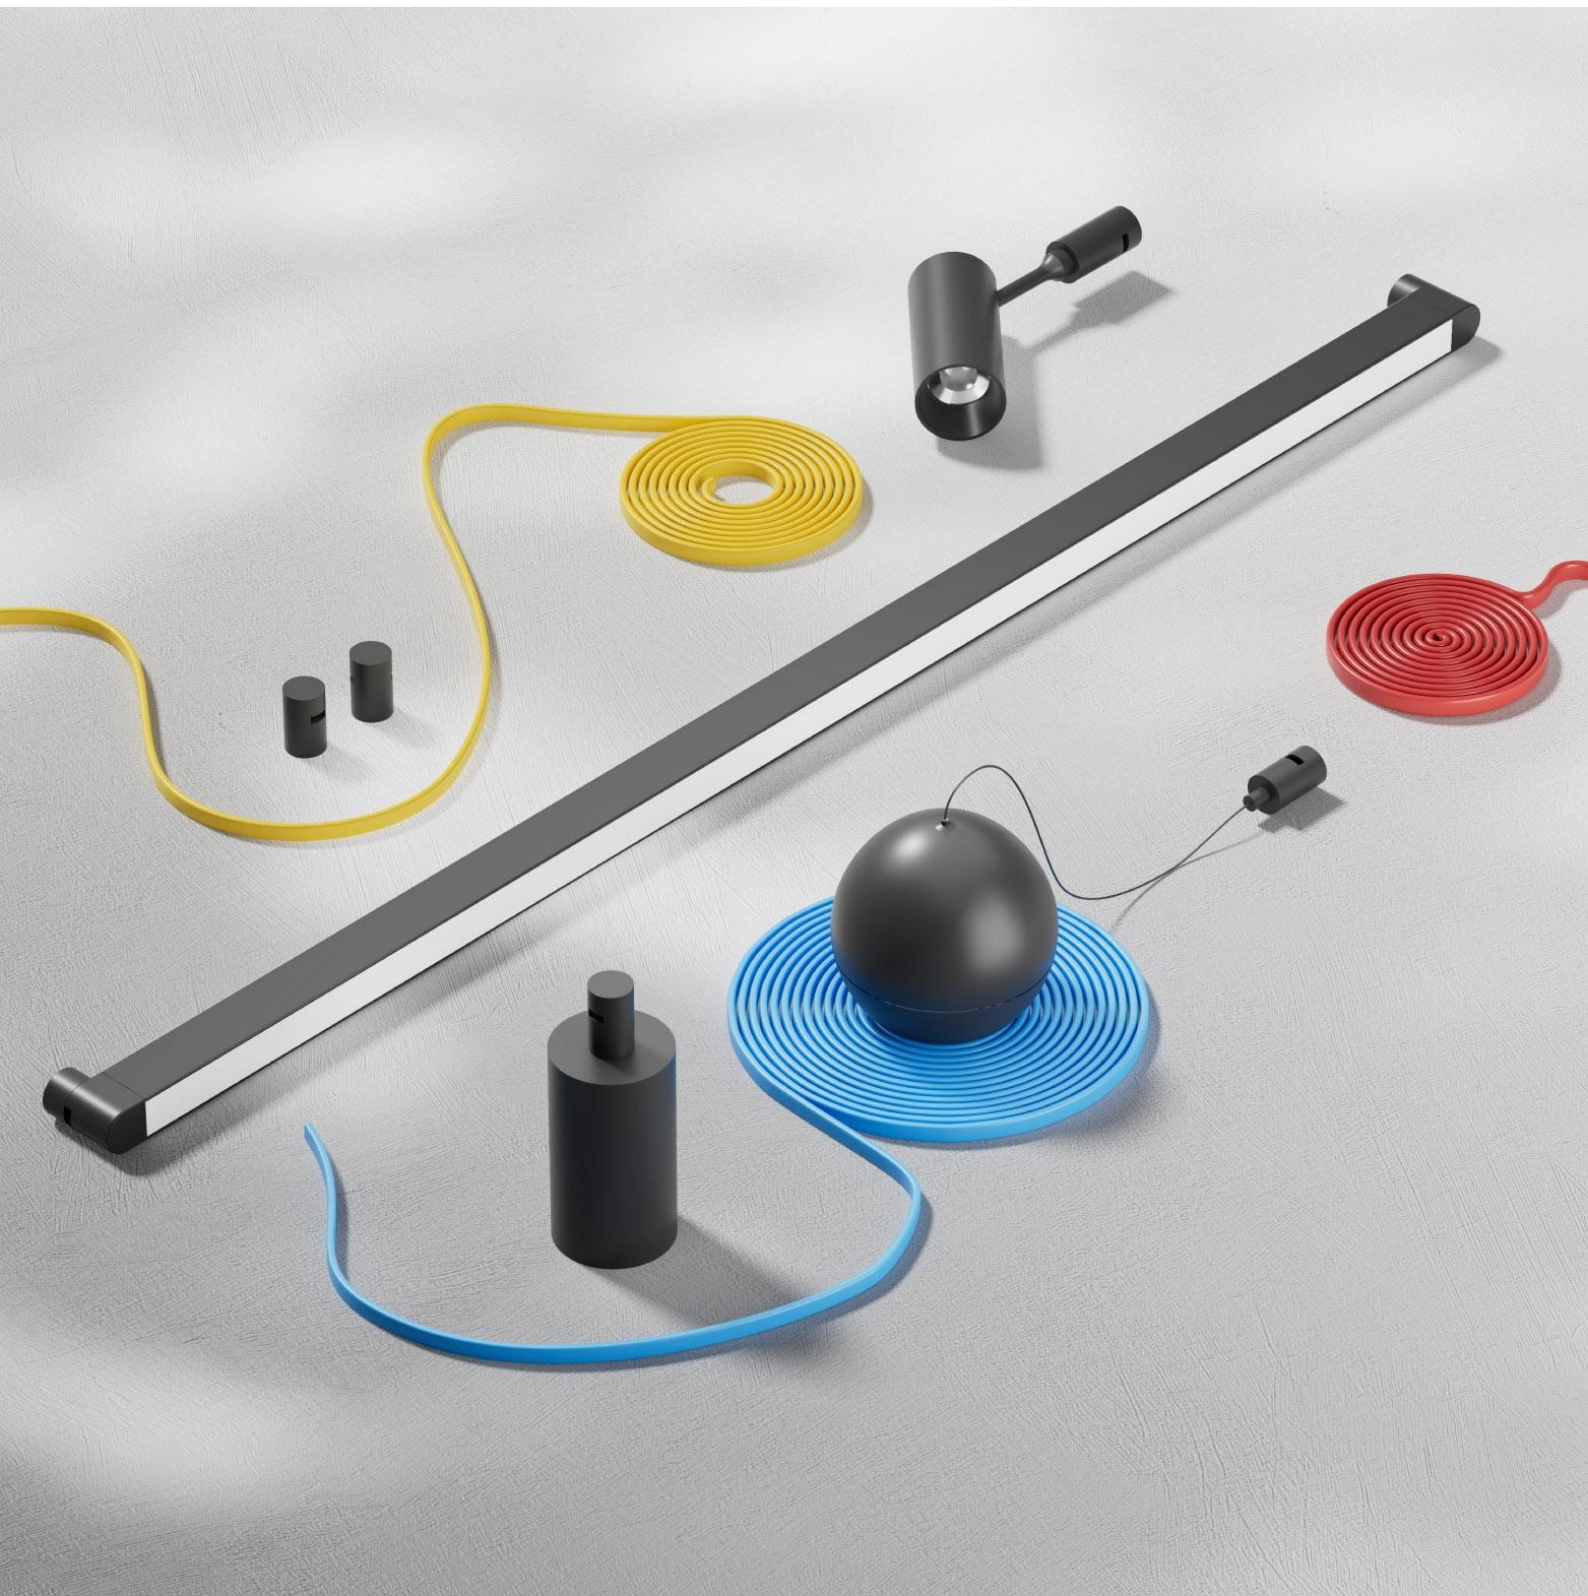

Size D:1.8cm L:150cm

Power 14w

CCT 3000K /4000K/6000K

Angle 360°

Material Aluminum + Silicone

Rich light source modules
Meet all kinds of scene changes

Rich light source modules
Meet all kinds of scene changes

Model CQP-SP-011-12W

Size D50x130mm

Power 12w

CCT 3000K/3500K/4000K/5000K

Angle 15°/24°/36°

Material Aluminum+PA66

Model CQP-DW01-R55-6W

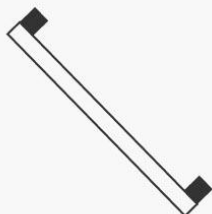

Size D55x142mm

Power 6w

CCT 3000K/3500K/4000K/5000K

Angle 15°/30°/45°

Material Aluminum+PA66

Model CQA-XTM-2J-20W

Size 494x23x42.8mm

Power 20w

CCT 3000K/3500K/4000K/5000K

Angle 100°

Material Aluminum+PC

Model CQP-CD-07-12W

Size D100xH100mm

Power 12w

CCT 3000K/3500K/4000K/5000K

Angle Adj 10°-55°

Material Aluminum+PA66
